Section Title(S): SOCIAL ORGANIZATION

During this same meeting of the *molimo*, the basket was kept filled with food for the men of the association. The singing went on each night, sometimes with drums, sometimes without. On some occasions the singing, particularly when there were no drums, appears to have been serious. At other times the meeting seems to have been more in the nature of a joke, as in the case of the water throwing, and on another occasion when the *molimo* kept moving about in the bush [\[p.227-b\]](#) and refused to come to the camp. Some of the men tried to find it, but, as they went after it, it stayed silent for a while, then suddenly was heard on the other side of the camp.
