. The verse refers to the widespread belief that the Murúsada were werewolves; and thus here they seem to have stolen the ferocity of the wild beasts.

. The D[unknown]a[unknown]ud are praised for the regard that they show toward guests. Cf. above, p. 95, note 6.

. The D[unknown]ar[unknown]od, foreign to the Hawiyya peoples, to whom the singer belonged, are mocked for their impulsive reactions.

. And finally in this verse a joke is made about the frequency with which the Hilli[unknown]bi have recourse to a purgative beverage (digo[unknown]o) in their villages.
